

DATA SHEET

POGO P-2 Electric Stair Climber

POGO P-2 light duty motorised stair climbing hand truck

The POGO P-2 is our lightest stair climber and is ideal for lifting jobs up to 100kg.

Used extensively in the home medical equipment market, the POGO helps prevent injuries due to lifting strain.

The POGO is easy to use, has a 810mm lifting height, can load itself - and your load - into vehicles.

The POGO P-2 comes with wheel brakes, sealed gel rechargeable battery and charger.
