

DATA SHEET

# Powered Tug - M2 Hospital Bed Mover

## ZALLYS M2

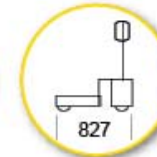

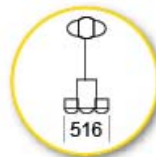

Professional electric vehicle with tiller head, suitable for moving hospital beds and trolleys up to 350 Kg.

Thanks to the compact construction and turning mechanism together with the facility to unlock the transmission for a manual drive, the M2 is ideal for work in small spaces.

The M2 is equipped with interchangeable batteries, allowing continuous operation.

The M2 can be supplied with a wide range of customisable hitches and connections suitable for every situation and need.
