[www.powered2go.com.au](http://www.powered2go.com.au)

The logo features a red triangle pointing to the right, followed by the word "MAGLINER" in a bold, black, sans-serif font with a registered trademark symbol (®) to its upper right.

**MAGLINER®**

A close-up photograph of a trailer's suspension system. It shows a silver metal axle with a tire mounted on a silver hub. A complex metal suspension bracket is attached to the axle, featuring a red vertical bar and several bolts. The background is dark, highlighting the metallic components.

FOR OVER 70 YEARS,  
**MAGLINE HAS BUILT A  
LEGACY OF INNOVATION,  
QUALITY AND VALUE.**

The logo consists of a stylized winged emblem to the left of the word "Magliner" written in a cursive script font.

*Magliner*

A small, rectangular metal plate is mounted on the side of the trailer. It features the "MAGLINER" logo in a bold, sans-serif font, with the words "MAGLINER" and "TRAILERS" stacked vertically.
